Date: 4 April 2020

To: Teachers and Students

Following the latest COVID-19 developments in Singapore, the University is implementing the following additional physical distancing measures effective immediately in order to minimise the spread of COVID-19 in our community.

With effect from **Monday, 6 April 2020, all CI-NTU on-campus classes will cease.**

All teachers and students are not to come to campus, and CI-NTU will leverage technology to replace certain in-person classes, in order to minimise physical interaction. You will be informed whether your class is postponed or switching to online e-learning.

These are extraordinary times and these measures aim to protect the health and wellbeing of all NTU teachers, students and employees.

Please visit CI-NTU website and the Ministry of Health and Ministry of Education websites for the latest information. As we go through these difficult times, please stay healthy and safe.
