Date: 25 March 2020

To: Students and Teachers

With reference to the press release by MOH “Tighter Measures to Minimise Further Spread of COVID-19” dated 24 March 2020, CI-NTU shall also enforce stricter measures that will take effect from 26 March 2020, 2359 hours.

As all centre-based tuition and enrichment classes will be suspended to reduce the intermingling of students from different schools and enhance the safety of our students, all Top Chinese Enrichment Programme classes (Pre-school, Primary, Secondary) will be converted to online e-learning.

Senior-centric classes will have the suspension or online e-learning be extended to 30 April 2020. Affected classes will receive email notifications separately.

As CI-NTU has implemented safe distancing measures within the classrooms, all other classes will continue as per normal. Kindly ensure that physical distancing of at least one metre to be achieved before and after classes and during your break time.

Meanwhile, it is important for everyone to continue to maintain good personal hygiene and follow the Government’s and University’s precautionary measures, for your own health and safety, as well as that of our community. Please see a doctor and stay at home if you are feeling unwell.

Thank you.
